

## Card and Mah Jongg Guest Policy

The PGA House Committee has established a Card & Mah Jongg Guest Policy and Procedure. Members are asked to abide by this policy at all times. This revised Policy and Procedure will be strictly enforced **EFFECTIVE IMMEDIATELY**.

1. Reservations must be made through the Club Receptionist no more than one week in advance for card and Mah Jongg players.
2. The guest of a Member is allowed admittance **12 times per year**-no more than **2 times per month, NOT** 12 times per Member.
3. Members are **required** to sign in their guests on the Guest Registration Cards provided at the **Receptionist Desk**. These cards will be monitored so that Members are notified when their guests have met their guest privilege limit.
4. Card and Mah Jongg Players must use the **Main entrance** of the Members' Club. Members may not bring their guests in the side door to bypass guest registration.
5. Members are **responsible** for their **guests' behavior** while visiting the Club.
6. Members and their guests are asked to keep the Card Room **neat** and **tidy**.
7. Members and their guests are asked to show **proper etiquette** and **respect** to fellow players and staff.

According to Club Rules and Regulations, the Club reserves the right to ask for Member and guest identification; and furthermore when abuse of the Club's Guest Policy is determined, Members may be reprimanded, fined, suspended or expelled from the Club. As Members, if you are aware of any abuses of this policy, kindly notify the membership staff or place your comment in Board of Governors' Comment Box.
