

November 2009

Dear Members,

For those of you returning from the north, welcome back, and for those who weathered the hottest summer since the 1930's, thank you for being here and for your year round support.

We kicked the season off a little early this year with PGA's Best 18 which was played Saturday, October 24. You, the members, voted and selected a tremendous lay-out show casing our best 18. We raised \$2,500 for the PGA Foundation donated in memory of Mickie Gallagher, and a great time was had by all. We are looking forward to doing it again next year.

In other news:

- ✚ The Member / Member Kick-Off is scheduled for November 7<sup>th</sup> & 8<sup>th</sup>. Sign up sheets are posted in the Members Club.
- ✚ Garmin GPS Units are being installed on the golf carts. Your help in returning the carts to the staging area after use is more important than ever once the units are installed. Please remember that you are responsible for the cart and all the attached equipment when you play or practice.
- ✚ New range balls have arrived and are in circulation. Please be reminded that range balls are for use on the designated practice areas.
- ✚ Arriving soon will be new range clocks, baskets and benches for the ranges.
- ✚ We are moving forward with a "remote member check-in" in the Members Club. We are waiting on the arrival of the necessary equipment (computers, etc), but within the next month you will be able to register you and your guests to play without going into the Golf Shop. All forms of payment will be accepted and we hope that you will find this a more member friendly experience.
- ✚ We are excited to announce several staff promotions. Alex Najmabadi has been promoted from Golf Shop Supervisor to Tournament Coordinator. AJ Dirosa has been promoted to Golf Shop Supervisor filling the position left vacant by Alex, and Rick Leatherman, your friendly tee time voice, has been promoted to Golf Shop Supervisor at the Estate Course.
- ✚ Although HotStix is not a new entity at PGA National, we have a new structure that will allow us to offer more competitive pricing to our members. \$100 per fitting, with \$50 credited back towards any equipment purchase. The right equipment can make a tremendous difference in your game. Also, please understand that PGA National strives to be competitive with all local equipment pricing. If you find something elsewhere, please give Chris Waddell the opportunity to compete on the price.
- ✚ Beginning November 1, exclusive to our members only, all apparel at the Estate Course will be 50% off.
- ✚ Construction progress continues on the restroom at the Estate Course. We are very excited to announce that we will be connecting to the city water & sewer systems which will provide better water quality and will result in an ice / water machine being installed. The contractor expects to have things flushing by the end of November if not before.
- ✚ Sign up for the member telephone tree. If you'd like to receive voice mails regarding club specials and events, please stop by Membership to enroll in the telephone tree.

Sincerely,  
Jane Broderick  
Director of Golf Operations
